IMPORTED
FROM
GERMANY

Cooks 3X Faster

Prepare quicker, better meals for a busy lifestyle.

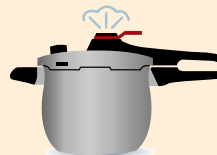

High Safety Standards

Comes with 4 safety features that ensure perfect safety in operation.

Nutrient Lock

Pressure cooking helps seal in the essential vitamin and minerals in the ingredients - offering heartier, healthier meals.

All-in-one-pot Magic

Achieve all types of cooking easily with richer flavors and better texture – plus the clean-up is easy!

Your safety, our priority

Pressure Indicator Pin & Locking Slider

Pin indicator will rise once the pressure starts to build blocking the movement of the slider when the pot is under pressure.

Pressure Control Value

Four dials allow more control while cooking: Low pressure, high pressure, depressurize and cleaning mode.

Cooking Indicator

Pressure level is indicated with the rings display in the cooking indicator.

Safety Window

In case of an abnormal increase of pressure inside the pot, gasket forces its way out through this window for the steam to escape.
